# WHO ARE

## BOOMTREE ADVENTURE PLAYGROUNDS?

We are part of the Active8 Leisure group and have been building engaging playgrounds for schools, nurseries and public spaces across The UAE for over 10 years. Designed and built in the UAE using European safety certified materials.

It's our aim to empower your children; to ignite their imagination & creativity and to develop their social & physical skills.

Boomtree unique designs also use sustainably sourced materials that are natural, durable and long lasting.
